

# USGA RULES GOVERN ALL PLAY

EXCEPT WHERE MODIFIED BY THE FOLLOWING LOCAL RULES

---

- Distance measuring devices are allowed.
- Stones in bunkers are movable obstructions (Rule 15.2 applies).
- If a ball lies through the green and on an immovable obstruction (e.g., sprinkler head) or the obstruction interferes with the line of play and is within two (2) club-lengths of the putting green and within two (2) club-lengths of the ball, the player may take relief as follows: The ball must be lifted and dropped at the nearest point to where the ball lies that a.) is not nearer the hole, b.) avoids interference, c.) is not in a penalty area or on a putting green.
- The desert will be played as Through the Green. Players may ground their clubs and take practice strokes. Players are given the option on a ball in the desert, either lost or found, under the penalty of one (1) stroke, of dropping within two (2) club-lengths of the point where the original ball last crossed the margin of the desert no nearer the hole. A player may refer to Rule 17 for other options under this situation.
- The "lip" of the transition between grass and desert is considered an Abnormal Course Condition. If a player's ball lies on or touches the lip or the lip interferes with the player's area of intended swing in the general area, the player may take relief under Rule 16.1b. When taking relief, the player must drop his ball within one (1) club-length of the nearest point of relief, not nearer the hole than the original position.

**WE ASK ALL PLAYERS TO KINDLY FILL DIVOTS AND REPAIR BALL MARKS.  
WHEN RAKING THE BUNKERS EVENLY SPREAD SAND DURING EXITING AND  
PLACE THE RAKES PARALLEL TO THE EDGE OUTSIDE THE BUNKER WHILE  
KEEPING CLEAR OF THE GREEN APPROACHES**
